DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/4/06 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claims 4-5, and 7-8, after each occurrences of "(Formula 4)", please insert ---and---.

Claims 4-5, and 7-8 are hereby amended so as to conform to the proper Markush format.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Applicant's amendment to claims 4-5, 7-8 filed in conjunction with the RCE on 4/4/06 is acknowledged. Currently, claims 4-9 are pending in this application. In light of applicant's amendment and remarks filed on 4/4/06, previous 103 rejections of the pending claims over Ichinohe (US-792 or EP-541) are hereby withdrawn. The references do not fairly suggest or provide motivation to one skilled in the art to formulate the presently claimed polymerizable dye species of Formula 2 to Formula 5 and their resultant copolymerized product with acrylic monomers and/or siloxane oligomers expressed in the amended claims. Accordingly, the instant invention as defined by claims 4-9 is allowable over closest prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L.
